

1 **EFGP 3rd Congress, Berlin – Draft Resolution**

2 Tabled by the Scottish Green Party

3

4 **SUPPORT FOR CONVERSION TO ORGANIC AGRICULTURE**

5

6 'The European Federation of Green Parties recognises the contribution of
7 organic agriculture to the sustainability of Europe, and the need for strong
8 government support at both EU and national level to develop the organic
9 sector, including legislation put forward by the Scottish Green Party to set
10 conversion targets and an action plan for Scotland.'
